TARGET AUDIENCE

With its *At the Heart of Your Community* program, Promutuel Insurance Horizon Ouest calls on the people of Vaudreuil-Soulanges to play a part in bringing promising community projects to life.

- The community organization, mutual aid association, charitable foundation, or organization must be established or operate in the Vaudreuil-Soulanges area.
- The projects must be carried out in the Vaudreuil-Soulanges area.

Visit the Promutuel Insurance Horizon Ouest website and fill out the [form](#) to submit a project.

Submitted projects will be evaluated in accordance with the program rules.

ADDITIONAL INFORMATION

Projects that meet the selection criterias for this program will be reviewed by a committee created, especially for this purpose at Promutuel Insurance Horizon Ouest, composed of:

- The General Manager
- Two members of the management team
- Two employees
- Two members of the Board of Directors

Any project that raises questions must be analyzed by the members of the program's Selection Committee. Additional documents may be requested.

The number of projects selected will be proportional to the amount Promutuel Insurance Horizon Ouest's Board of Directors allocated for this program during the current year. Only one project per organization may be selected.

DONATIONS

Donations will be made between May 1 and June 30, 2025.

Note that Promutuel Insurance Horizon Ouest reserves the right to pay 50% of the donation at the start of a project and the other 50% to be paid once a project is completed.

The amount awarded as a donation will be the one and only contribution paid by the Mutual Insurance Company, even if project costs increase.

The organization receiving the donation undertakes to use it solely to carry out its community project and not to allocate it to the organization's working capital.

The organization receiving the donation releases the Mutual Insurance Company and all entities affiliated as well as their officers, directors, employees, agents, and representatives, from all liability.

In the event that the amount of the annual grant is not allocated in its entirety, the Mutual Insurance Company reserves the right to issue a second call for applications, allocate the balance of the funds in accordance with its donations and sponsorship policy, or retain it for inclusion in the program budget for the subsequent year.
